FRIDAY NOVEMBER 30 1941

NUMBER 25

Soaking Snow Storm Over Southern Alberta

Just at daylight Wednesday, about 7:45, snow commenced falling and increased until at about 10:30 flakes were falling about as big as your hand and just about as fast as they could fall it didn't last very long snowing so hard but it fell most of the day, a great deal of it melting as it fell and making roads and paths very muddy and disagreeable.

The storm is very welcome, beets are about all dug and grain harvest is finished. There is no frost in the ground and the moisture will all soak in and do a lot of good. It snowed all night Wednesday and until about noon Thursday.

FINAL 1943 BEET PAYMENT

Cheques covering final payments on 1943 sugar beet deliveries are in the mails. The payment amounting to approximately a quarter million dollars brings the total payment for 1943 beets to \$10.2 a ton as compared with \$9.53 a ton for beets grown the previous season. Beet digging will be cleaned up next week. To date 320,000 tons have been delivered and there are between 20,000 and 25,000 tons yet to come.

NEWS NOTES

Buy War Savings Stamps regularly.

Glen Bullock of the R.C. Navy returned to Halifax on Wednesday morning after spending a furlough with his wife and other relatives and friends in Raymond.

Miss Bernice Olsen, who is training in a hospital in British Columbia for a nurse, came home for a few days to visit her father following his recent accident.

The Federal Labor Union held its usual monthly meeting at the Town Hall on Wednesday evening November 1st. There was a good attendance despite the storm and routine business of the Union was taken up.

A Halloween Dance was held Tuesday night in the Opera House under the auspices of the Mutuals which took the place of the regular Mutual work for that night.

Folk's we're not kidding when we tell you that we have some very nice Christmas Cards. Better come in and get a box and be sure of these extra cards you always need at Yuletide.

A bag conveyor has recently been put into operation in the Sugar Co. warehouse and it is quite a sight to watch the bags leave the sewing machine and travel down to the warehouse and its complete length and even climb the long conveyor to the top of the stack without being hand led except to be put onto the pile.

"Mamae Curdie" at the Capitol this week was shown to good houses each night and was thoroughly enjoyed by all. From a historical standpoint the picture was very interesting and as usual Greer Garson and Walter Pidgeon gave a wonderful portrayal of their roles.

The boys and girls were around the Town Tuesday night Halloween getting their milk for Britain tickets, apples, popcorn and what not. A very good sale of tickets was made. No damage was reported of any consequence, the kids containing themselves with their collections and the usual soaping of windows.

FACTORY WORKER SCALDED

Tuesday afternoon about 3 p.m. Cecil Finch, beet and forward at the Factory was badly injured about the chest and shoulder when hot water from an Oliver tub scalded him when the agitator hose became disconnected just as he bent over to examine the tub.

He was given first aid treatment at the Factory was taken to the D.C.O. who treated the burns and ordered him taken to the hospital in Lethbridge for a few days treatment. Some of the burns are quite deep and will require quite a while to heal. The best wish of all the Factory workers go with Cecil for a speedy and complete recovery.

Don't Let Them Down

Our boys and girls in the services be redeemed is so much broken and are counting on us to keep them fly nothing else. Your money is as safe as gold. We can't let them down. Victory in a bond as it is in any bank or any seems near, but these are crucial days. The pressure must be kept in Canada and free our Victory Bonds on. The present Victory Loan must be safe. Keep our record in front of us and go over big. Everyone as it is today for being the most progressive of the nations in our war program. Keep our financial structure safe and sound and keep Canada to the fore as she is today and has been.

You wouldn't feel very good about it if someone failed to buy a bond because they didn't have a boy or girl in the fight would you? The argument that the bonds will never

NEWS NOTES

Mr. and Mrs. John MacPhee are the proud parents of a baby girl born last week in the Lethbridge Hospital. At birth, and baby are doing fine.

R. W. Gardner of Lethbridge, Auditor for the Town, was at the Town Hall last week making his periodical audit of the books.

B29's the snipe fortress of the U.S. Air Force hit Tokyo and Yokohama on Tuesday night the first raid on the Japanese capital in more than two years.

F.O. Bill Hansen who taught school here for part of a term, was a Raymond visitor Tuesday evening this week and was a guest at the L. Palmer home.

Annual Carnival On Nov. 30 and Dec. 1st.

CONFERENCE SUNDAY

To conserve gas and rubber, all meetings in connection with our Quarterly Conference will be held in Raymond on Sunday. Elder Joseph P. Merrill of the Council of the Twelve will be present representing General Authorities of the Church and Melchizedek Priesthood work will be featured at the meetings. The program is as follows:

9 a.m. meeting of all Melchizedek Priesthood quorums with a full attendance requested.

10:30 a.m. the first general conference session will convene.

2 p.m. second general session.

7 p.m. Mutual session of the Conference.

The Stake Choir will be present at the afternoon and evening session with a fine program of anthems. All are invited and urged to attend these Conference meetings.

Painters were busy at the Capitol Theatre on Tuesday painting the front of the building.

Raymond's Annual Carnival and FunFest will be the drawing card for Raymond and all of Southern Alberta again, the dates chosen being November 30 and December 1st Thursday and Friday. Tickets are on sale now for the draw for the Grand prize and they are also valuable for door prizes both nights of the event.

A lovely 3 piece Chestersfield Suite has been purchased by the Committee for the big prize of the Carnival and this is on display in the window of the Raymond Mercantile Co. Take a look at it as you go past the store and then make sure you have enough tickets to take the whole family to both nights of the Carnival, and have lots of chances on the big prize besides helping in community projects fostered and promoted by the Lions and the P.A.A., with the proceeds of these Carnivals. We'll have more details in later issues, but we just want you to keep ahead the big annual event.

ALBERTA STUDENTS ATTEND BRIGHAM YOUNG UNIVERSITY

Eighty-four students from Lethbridge, Alberta registered at the Brigham Young University for the fall quarter total twelve with one each from Picture Butte, Raymond, Edmonton and Magrath, two from Banff, four from Cardston and two from Calgary. John E. Hayes, registrar, said today.

Tabulation of registration cards shows that Canada, Mexico, Hawaii, Iran and the U.S. are represented by students at the University, said Mr. Hayes.

Registration now totals more than 1100 and is expected to reach 1200 by the winter quarter which begins January 3.

Students from Alberta are: Shirley Reizen, Picture Butte; Winston Woudger, Magrath; Jeanne Zukowski, Raymond; Zola Tanner, Edmonton; May Louise Le Bail, Inverness; Barnwell, Aaron (card); Andy Leavitt, Dorothy Lowe, Edith Sligh, Cardston; Zora Stewart and Vivienne Secord, Calgary.

NEWS NOTES

Karl Witte's new building is just about finished and will make a fine addition to the business blocks of the town.

Bricklaying started this week on the Sugar Co's new warehouse and because of labor shortage twenty P. O. W. laborers from Lethbridge are assisting in the work. Jos. Strong is in charge of the work.

Work is progressing rapidly on the graveling of the road south from town. The weather has been ideal and the grade and gravel are packed good for winter. This new stretch of gravel will be a big boon to the people living on their ranches south of town.

T. M. Roberts had a crew busy on Saturday pouring the basement walls for T. Kubota and on Thursday the floor was poured. The house is being set back about on the new foundation now and then the furnace and so on will be installed.

Continuing Tuesday's subscription, the V.A. has been called nearly \$600,000,000 out of the objective of \$1,200,000,000. Raymond is ahead of schedule but not far enough ahead to assume us going over the top. Come on neighbor, dig down today and buy that bond!

Invest in Victory

Buy VICTORY BONDS

APPLICATION FORM

To the Bank of Canada, fiscal agent of the Government of Canada, for the purpose of purchasing bonds of the Sixth Victory Loan, as authorized by the War Finance Act, 1940, and to make payment therefor in accordance with the terms of the official prospectus.

(Complete and send back to the Bank of Canada, 100 King Street West, Toronto, Ontario, with the required payment.)

FALL AND WINTER CARE OF FARM MACHINERY

Now that the work of most of the field machines is over for the season it is not too soon to spend any time available in checking them and getting them ready for the winter. When the plow, disc or combine was last used there was no doubt something which should have been fixed but which was left until later because of other more necessary work. Though it may seem a long time to look forward to the next seeding season or to next harvest we can be sure that if repairs are left until then some of the important ones may be forgotten or neglected.

It'll be the time to check each machine carefully and list the parts which need attention or replacement. The operator can do this in a few minutes while he can still recall the operation of the machine in the field. The machine may then be stored until the fall work is over when it may be overhauled.

If repair parts needed are listed and as many as possible ordered in the fall or early winter, the dealer will have a chance to obtain them so that they may be put on when

the machines are overhauled later. In these times farmers who leave their repair lists and overhaul jobs until they are ready to use the machines are quite sure to be disappointed and lose valuable time in the spring season.

On any farm, money spent on a few tools to help with repairs early in the fall will be well repaid in time and money saved next spring for the winter but done when the weather is still mild.

Much of our farm equipment finds its winter storage in the barn or shed or in the field where it was last used, and although it is a matter of debate whether it pays to provide shelter for all farm machinery yet it will be generally agreed that machinery left outside does take longer to start the next season. All-weather equipment such as a cut-away disc will deteriorate little outside if properly cared for. It is best if possible however, to provide storage for machines such as binders and combines, and of course, the tractor.

To merely run these pieces of equipment under cover is not enough. They should be cleaned out as well as possible, then all bearings well

lubricated as to prevent rust or corrosion. If the tractor is not to be used until next spring a small quantity of oil should be put into each cylinder through the spark plug holes and the engine turned over by hand a few times. It is also a good idea to take the weight off the rubber tires and cover all vertical exhaust pipes.

All bright metal parts such as mower blades, combine knives and guards, disc wear disc blades and plow moldboards, should be coated with a light oil or kerosene or treated with a rustproofing compound which is also a good idea to take the weight off the rubber tires and cover all vertical exhaust pipes.

which are now available from some of the oil companies. In test, such compounds have prevented rust for ten to twelve months under outdoor conditions while few ordinary greases lasted over a month. Under less severe conditions this compound may be diluted with gasoline or kerosene and sprayed on.

If left outside machines should be similarly treated, but still more carefully. Nothing is so aggravating or time consuming as a plough mold board which is so badly rusted that it will not secure without being polished with emery cloth.

Working for the Benefit and Convenience of You

*"We must
plow to the end
of the furrow..."*

● That old saying, so well known to farm folks... "Plow to the end of the furrow"... so aptly makes our duty plain. And the end of the furrow is beyond the horizon.

Our men on the fighting fronts have weary, trying days ahead of them. We, on the home front, must not waver nor falter. Our duty is clear, we must keep faith with our fighters. On Canadian farms we must maintain our efforts to produce the foods our fighters and our allies need. That work will reward us with increased incomes.

And we must save... to have money to lend to our country to pay the increased costs that this war continues to pile up.

Money invested in Victory Bonds will help to buy the tools of war. They don't last long in action. They must be replaced. It's our job... the home front job... to see to it that our fighting men have everything they need.

Victory Bonds yield a double harvest. They provide our country with money to carry on the war. Later, they will provide money to buy things we will want and need, and which we have done without during the war. Victory Bonds will provide cash to pay for improvements for farm and home... new buildings... new machinery... better stock... new car... furnishings and conveniences for the home.

Get Crackin'

They're already 'briefing' the boys for plenty of fun at the
AIR CADETS

THERE'S going to be plenty of fun with the Air Cadets this winter. That's where all the fun in town is going to be. Your chums will share in it. Be "right on the beam" with them. But you'll have to "get crackin'" if you want to be part of it all.

The big Postwar Air Cadet plan of sport and fun and aeronautics is already getting under way. It's picking up speed like a Spitfire... assuring plenty of fun now... and providing the wings on which you can soar to the top of the aviation world of tomorrow.

HERE'S MY LARD PROBLEM

How can I save money on feeding my calves?

HERE'S THE ANSWER

"Miracle" Calf Meal actually costs a little more because it is a top rate feed. With "Miracle" Calf Meal your calf will reach its full growth at least 4 months sooner, so you actually save 4 months feeding costs. This more than covers the extra cost of the feed.

CANADA'S VETERANS Their Post-War Opportunities

This is the fifth in a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get full details, save and read every advertisement.

For complete information, write for the booklet, "Back to Civil Life."

Care for the Wounded and Ill

CANADA'S TREATMENT AND PENSION LEGISLATION

Canada has assumed as a minimum obligation to members of the armed forces that, before their return to civil life, the fullest possible measures shall be taken towards physical fitness, and that pension shall be provided for any permanent disability due to service. Full medical service is provided and permanent hospitals have been established from coast to coast. Equipment for the most modern types of treatment has been installed, and leading specialists in all branches of medicine and surgery have willingly placed their services at the disposal of veterans.

There is free treatment with allowances to every discharged person for the first year after return to civil life and free treatment with allowances for pensioned conditions is available throughout the pensioner's life.

Those discharged from the forces unable to work and in need of continuing treatment may have their pay and allowances of rank continued for one year, if necessary, and for longer when treatment is still required for a pensionable condition.

PENSIONS

- Pension is awardable under three simple and easily understood conditions:
1. When the veteran has served in a theatre of war, death or any permanent disability not due to misconduct is pensionable.
 2. (a) When the veteran has served in Canada only, death or disability caused by service is pensionable.
(b) Death or serious disability not due to service may be pensionable if hardship would otherwise result.

JOBS FOR DISABLED.

A very wide program of education is being carried on continuously so that veterans who suffer a disability as a result of their war service may have a full and happy future. Many volunteer associations are assisting in this work, while specialized help is available from such organizations as the War Amputees of Canada, the Canadian National Institute for the Blind, and the Canadian Society for the Deaf and Hard of Hearing.

THE COMMUNITY'S RESPONSIBILITY

This series of advertisements has given, in brief form, an outline of the Canadian re-establishment program for ex-service men and women. The responsibility, however, is not entirely that of Parliament. It can provide legislation and funds but in the final analysis it must be the veterans themselves and the people of Canada who make the program work. The public support so far has been unstinting, but successful administration requires further public support. Understanding and effort by the whole people are needed.

VETERANS' WELFARE OFFICERS ARE STATIONED IN KEY CENTRES THROUGHOUT CANADA. THEY ADVISE AND ASSIST EX-SERVICE PERSONNEL, AND SHOULD BE CONSULTED ON ALL PROBLEMS.

Issued under the authority of Hon. Ian A. MacKenzie, Minister of
VETERANS' AFFAIRS

HOSPITAL STAFF MAY NOW
BE HIRED DIRECTLY

Professional and non-professional
workers for hospitals may now be
hired directly without passing thru
local employment and selective ser-
vice offices. Hon. Humphrey Mitchell,
Minister of Labour, stated today.

"In order to help meet the extreme
need for hospital staff, this change
in the method of recruiting workers
has been granted to hospital authori-
ties to accommodate what threatens
to be a very serious shortage of
workers," said Mr. Mitchell.

Male or female applicants may
apply directly to hospitals for in-
terview and be hired, without Se-
lective Service permits, as formerly,
although the necessary permits will
be made out by the hospital authori-
ties.

Local employment offices will con-
tinue to secure help for hospitals,
and will also be kept advised of all
placements made directly by the
hospitals.

Instructions have gone out from
Ottawa to the employment offices
that the changed procedure becomes
effective at once.

NEWS NOTES

Adolph Olsen, injured ten days or
so ago at the Sugar Factory is mak-
ing steady improvement in the Hos-
pital and will soon be home again.

Grant Smith of the U.S. Army and
F.O. Mahlon Smith of the R.C.A.F.
spent a brief leave with their father
and sisters over the week-end.

Wm. Nalder, who is attending Nor-
mal School in Calgary spent the
week end at home and returned to
his studies Sunday evening.

Arthur Dahl of Cardston spent
Monday and Tuesday with members
of his family in Raymond and on
Wednesday left for Utah for a visit
with relatives and friends there.

Marion Ackroyd of Magrath was a
Raymond visitor Monday afternoon
in the interest of Stake Missionary
work, he having been recently ap-
pointed Stake Mission President.

"Bud" Palmer of the R.C.A.F. and
No. 8 Lethbridge spent Saturday
night and Sunday last at home with
his parents and friends.

Wednesday's Herald reported Milk
River-Coutts district and Vulcan dis-
trict both over the top. Lethbridge
was the first Canadian city over the
top and is still going strong.

Good progress is being made on
the Dan Heltzberg home. Tommy Rol-
erts having quite a crew of men at
work now that the rush of the beet
harvest is over.

Phillip Lysak, a section foreman
for the C.P.R. was instantly killed
five miles north of Crossfield on Wed-
nesday when he was struck by the
northbound passenger train while
directing the work of his crew of
men.
